

### **(e) OV-FP: Floodplain Overlay District**

#### **(1) Purpose**

The purpose of the Floodplain Overlay (OV-FP) District is to protect people and property from risks associated with flooding in floodplain areas, minimize disruption of commerce and critical services, and minimize the need for costly repairs due to flooding. District standards limit vulnerable uses and require certain uses to be located and constructed in a manner that avoids or mitigates damage in the event of flooding.

#### **(2) Applicability**

The standards and requirements in this section apply to development located in the OV-FP District, in addition to the base zoning district standards. In instances where there is a conflict between the standards in this district and the base district, the standards in the OV-FP District shall control.

#### **(3) Comply with Floodplain Regulations**

Development in the OV-FP District shall comply, as determined by the City Engineer, with all applicable regulations established for special flood hazard areas in Article III, Chapter 21 of the Code of Ordinances and with applicable Federal Emergency Management Agency regulations.
