

(d) OV-FW: Floodway Overlay District

(1) Purpose

The purpose of the Floodway Overlay (OV-FW) District is to protect people and property from risks associated with flooding in floodway areas, minimize disruption of commerce and critical services, and minimize the need for costly repairs due to flooding. District standards limit vulnerable uses.

(2) Applicability

The standards and requirements in this section apply to development located in the OV-FW District, in addition to the base zoning district standards. In instances where there is a conflict between the standards in the OV-FW district and any other standards in this Ordinance, including the standards in the base district, the standards in the OV-FW District shall control.

(3) Comply with Floodway Regulations

Development in the OV-FW District shall comply, as determined by the City Engineer, with regulations established for floodways in Article III, Chapter 21 of the Code of Ordinances and with applicable Federal Emergency Management Agency regulations.
