#### MEETING FORMAT

Applicants with requests before the Planning Commission are allotted a presentation time of 10 minutes. This time should include but is not limited to an overview of the project, case history, and any pertinent meetings held regarding the request. This time also includes all persons presenting information on behalf of the applicant such

as attorneys, engineers, and architects. This time limit does not include any questions asked by the Planning Commission or staff regarding requests. Members of the general public are given the opportunity to address their concerns in intervals of 2 (two) minutes. The Planning Commission reserves the right to amend these procedures on a case-by-case basis.

#### **CONSENT AGENDA**

The Planning Commission uses the consent agenda to approve non-controversial or routine matters by a single motion and vote. Examples of such items include approval of site plans, annexations, and street names. If a member of the Planning Commission or the general public wants to discuss an item on the consent agenda (at the beginning of the meeting), that item is removed from the consent agenda and considered during the meeting. The Planning Commission then approves the remaining consent agenda items.
