Special meetings may be called by the chair (or by the secretary at the request of two members of the Board). Public notice of all meetings of the board shall be provided by publication in a newspaper of general circulation in the City of Columbia; posted at the meeting location; and delivered to all members of the Board. Meetings shall be held at the place stated in the notice.

Section 2. Agenda. A written agenda shall be furnished by the secretary to each member of the Board and shall be posted at the meeting location at least twenty-four hours prior to a meeting. Items may be removed from the agenda or postponed at a meeting by majority vote.

Section 3. Quorum. Four members of the Board shall constitute a quorum. A quorum shall be present before any business is conducted other than rescheduling the meeting.

Section 4. Cancellation. Whenever there are no appeals or applications for a variance or special exception to be considered and there appears to be no other business to be transacted by the Board at any regular meeting, other than the scheduled first meeting of the year, the chair may dispense with such meeting by notifying each member of the Board not more than five days and no less than twenty-four hours prior to the time for such meeting.

Section 6. Rules of Order. Robert's Rules of Order Newly Revised, latest edition, shall govern the conduct of meetings except as otherwise provided by these Rules of Procedure.

Article IV Prehearing Procedure

Section 1. Form. Appeals from administrative decisions, applications for variances, and applications for special exceptions shall be filed on forms approved by the Board and provided to applicants by the secretary or his/her designees. The Board may require additional information deemed necessary. The failure to submit a completed application and the required documentation necessary for the Board to address the matter may be grounds for dismissal by the Board. An application filed by an agent shall be accompanied by written designation of the agent signed by the applicant or party in interest.

Section 2. Calendar and Docket. Appeals from administrative decisions, applications for variance, and applications for special exceptions shall be marked with the date of receipt and placed on the docket. Appeals and applications shall be placed on the docket in the order in which received unless placed on the consent agenda or otherwise set by the Board for good cause shown. Each appeal or application filed on the proper form shall be numbered serially and docketed.

Section 3. Time of Hearing. All cases docketed by the applicable standard application deadline shall be automatically set for the next available hearing, unless a different date is specifically set for such hearing by the Board.

Section 4. Withdrawal of Appeal or Application. An appeal or application may be withdrawn by written notice delivered to the secretary prior to action by the Board. Withdrawn applications for variances and special exceptions may be re-filed and shall be placed on the calendar according to the date re-filed. An appeal from an administrative decision that is withdrawn may not be refiled after the 30-day time for appeal (as set forth in 17-111 and 17-112 of the City of Columbia Code of Ordinances) has expired.

Section 5. Continuances and Deferrals.

- a. The Board may continue or defer an application to the next month's meeting for good cause shown upon its own motion or at the request of any applicant.
- b. The Zoning Administrator may administratively defer any appeal or application to the next month's meeting upon good cause shown at any time prior to the call of the matters before the Board. No appeal or application may be administratively deferred more than twice under this subsection absent

leave of the Board. The agenda shall be noted to inform the public of such deferral.

- c. Applicants may defer any appeal or application to the next month's meeting upon good cause shown at any time prior to the call of the matters before the Board. No appeal or application may be deferred by applicant more than twice under this subsection absent leave of the Board. The agenda shall be noted to inform the public of such deferral.

Section 6. Notice. Public notice of a hearing of the Board shall be published in a local newspaper and posted on or adjacent to the property affected at least fifteen days prior to the hearing. In addition to any other matters required by law, the notice shall contain a description of each matter to be heard and identify the applicant and property affected.

Section 7. Consent Agenda. The Board of Zoning Appeals may use a consent agenda to approve non-controversial or routine matters by a single motion and vote. If a member of the Board or the general public wants to discuss an item on the consent agenda (at the beginning of the meeting), that item is removed from the consent agenda and considered during the meeting. The Board then approves the remaining consent agenda items. If an item is removed from the consent agenda, that item will be heard after old business on the regular agenda.

Article V

Hearing Procedure

Section 1. Appearances. The applicant or any party in interest may appear in person or by agent or attorney. Should the applicant or an individual on the applicant's behalf fail to appear before the Board, the Board may proceed to dispose of the matter on the record.

Section 2. Witnesses. Witnesses must present testimony under oath or affirmation. Witnesses may be compelled to attend by subpoena requested at least ten days prior to a hearing and approved by and signed by the chair. The Board may call its own witnesses when deemed appropriate. Each witness shall state his or her name and address for the record.

Section 3. Cross-examination. No party shall have the right to cross-examine witnesses. Intimidation of witnesses will not be allowed. Contempt of the Board may be certified to the circuit court pursuant to S.C. Code of Laws Annotated Section 6-29-810.

Section 4. Evidence. Relevant documents, photographs, maps, plans, drawings, etc., will be received in the record without authentication in the form of legible copies. Relevant testimony which is not cumulative will be received. The chair will rule on all evidentiary matters. Evidence may be placed in the record with an objection noted.

Section 5. Conduct of Hearing.

- a. As a guideline, the order of hearing should be:
 - (1) Statement by chair or secretary of matter to be heard;

- (2) Presentation by appellant or applicant, his agent or attorney shall be heard next;
 - (3) Members of the public; and
 - (4) Rebuttal by appellant or applicant, his agent or attorney.
- b. The Board may question participants at any point in the hearing prior to final disposition of a matter.
- c. Modification of Procedure.
- (1) The chair may modify the procedure of hearing, including time allotted for presentations.
 - (2) Any Board member may move to modify the procedure or to overrule the chair's decision to modify the procedure. Both motions are debatable and require a majority vote in order to be adopted.
 - (3) The intent of the rules is that the procedure at the hearing will reflect such concerns as fairness and the importance and complexity of the matter at issue. Therefore, modifications in procedure should be used where a change will substantially improve the decision process and should be made in terms of such concerns as the importance and complexity of the decision, repetition, agenda length, time spent as a result of questions from the Board, and fairness.

Section 6. Disposition. Where a quorum exists, the Board may deliberate and make final disposition of a matter by majority vote of members present and qualified to vote. In the case of a tie vote the motion fails. Every member present must vote unless recused or otherwise disqualified. The vote may be taken at the same or a subsequent meeting. A member may not vote on a matter which he or she has not heard. Deliberating and voting shall be done in public. Where the Board authorizes any variation or imposes any condition with respect to an appeal or application, such variation and condition shall be specifically stated in the motion.

Section 7. Adjournments. When all appeals and applications cannot be disposed of on the day set, the Board may adjourn from day to day or to a day certain as it may order and such adjournment day shall be constructed as a continuance of the meeting and no further notice need be given thereof.

Section 8. Finality of Decision. A decision of the Board is final upon the certified mailing to the applicant of the signed order reflecting the action taken.

Notwithstanding **Section 10. Rehearing**, when an application before the Board is denied, reapplication for the same request, in whole or in part, on the same parcel shall not be permitted until one year has expired from the date of the official action by the Board.

Section 9. Form of Order. An order, signed by the chair or vice-chair, shall be issued disposing of a matter by granting or denying relief with such conditions as may be deemed necessary or by affirming, modifying, remanding, or reversing an administrative decision. A matter may be dismissed for lack of jurisdiction or prosecution. Findings of

fact and conclusions of law shall be separately stated in an order. The hearing transcript, record, and official minutes shall also be considered as evidence and indications of findings and conclusions.

Section 10. Rehearing. The Board may grant a rehearing of an application which has been dismissed or denied upon written request by the case applicant filed with the Zoning Administrator within 15 days after Board denial accompanied by new evidence which could not reasonably have been presented at the hearing, or evidence of a clerical error or mutual mistake of fact affecting the outcome.

Should the request for rehearing be placed on the agenda, the party requesting the rehearing shall be notified to appear before the Board. Testimony is allowed only by leave of the Board if necessary for the limited purpose of developing an understanding of the nature of the request. If the motion to grant a rehearing is approved, the case shall be put on the calendar for a hearing. Rehearing shall be subject to the same notice as original hearings.

Section 11. Appeal. Appeals from the Board may be made to circuit court pursuant to S.C. Code of Laws Annotated Section 6-29-820, which provides:

A person who may have a substantial interest in any decision of the board of appeals or an officer or agent of the appropriate governing authority may appeal from a decision of the board to circuit court in and for the county by filing with the clerk a petition in writing setting forth plainly, fully, and distinctly why the decision is contrary to law. The appeal must be filed within thirty days after the decision of the board is mailed.

Article VI Records

Section 1. Minutes. The secretary or his/her designee shall record all meetings and hearings of the Board on tape which shall be preserved until final action, including action on any judicial appeals, is taken on all matters presented. The secretary or his designee shall prepare minutes of each meeting for approval by the Board at the next regular meeting. Minutes shall be maintained as public records.

Section 2. Orders and Documents. The secretary or his designee shall assist in the preparation and service of all orders of the Board in appropriate form. Copies of all notices, correspondence, documentary evidence, orders and forms shall be maintained as public records.
