CORRESPONDENCE

Please be advised that because of the amount of information provided to board members, staff encourages members of the public who would like to submit written communication as part of the public record to do so in advance of the meeting.

- If written comments are received prior to Wednesday, October 11, these comments will be published with the DDRC packets and will be distributed to Commissioners the week prior to the meeting.
- If written comments are received after Wednesday, October 11 and before 12pm Wednesday, October 18, they will be forwarded to DDRC Commissioners for their perusal.

CONSENT AGENDA

The Design Development Review Commission uses the consent agenda to approve non-controversial or routine matters by a single motion and vote. Examples of such items include residential site improvements such as fences, minor exterior changes, or signage. If a member of the DDRC or the general public wants to discuss an item on the consent agenda (at the beginning of the meeting), that item is removed from the consent agenda and considered during the meeting. The DDRC then approves the remaining consent agenda items.

MEETING FORMAT

Applicants with requests before the DDRC are allotted a presentation time of 10 minutes. This time should include but is not limited to an overview of the project, case history, and any pertinent meetings held regarding the request. This time also includes all persons presenting information on behalf of the applicant such as attorneys, engineers, and architects. This time limit does not include any questions asked by the DDRC or staff regarding requests. PLEASE NOTE: **all** materials for a submission are due at the deadline date; any new materials presented

at the meeting by the applicant may result in a deferral to allow the Commission adequate time for review.

Members of the general public are given the opportunity to address their concerns in intervals of 2 (two) minutes. **Anyone wishing to give testimony will be sworn in.** The DDRC reserves the right to amend these procedures on a case-by-case basis.
