- Please be advised that, because of the amount of information provided to board members at and in advance of the public hearing, it is difficult for those persons to absorb written information presented at the actual public hearing. As such, staff will forward written comments to the board members in advance of the public hearing provided those comments are submitted generally on the Friday of the week prior to the meeting. This offer is a courtesy and is not intended in any way, shape, or form to discourage persons from communicating with board members at the actual public hearing.
- The State of South Carolina has passed extra-ordinary notification requirements to Fort Jackson and South Carolina Aeronautics Commission when land-use decisions are made within a mandated distance to Fort Jackson and Jim Hamilton – L.B. Owens Airport. Applications located within these areas require external agency review and thus the scheduled meeting dates are subject to change.
- † The D/DRC will continue to meet in 2026 as a singular design review commission until the HP/DRC and U/DRC are established by City Council. The HP/DRC meeting dates and deadlines will follow the D/DRC dates, and the U/DRC will meet the 3<sup>rd</sup> Wednesday of each month at 4:00PM, following a separate deadline calendar.
- †† Fourth Thursday of the month due to the January 1<sup>st</sup> holiday
