IV. OTHER BUSINESS

V. ADJOURN

CONSENT AGENDA

The Design Review Commission(s) use the consent agenda to approve non-controversial or routine matters by a single motion and vote. Examples of such items include residential site improvements such as fences, minor exterior changes, or signage. If a member of the DRCs or the general public wants to discuss an item on the consent agenda (at the beginning of the meeting), that item is removed from the consent agenda and considered during the meeting. The DRC then approves the remaining consent agenda items.

MEETING FORMAT

Applicants with requests before the DRC are allotted a presentation time of 10 minutes. This time should include but is not limited to an overview of the project, case history, and any pertinent meetings held regarding the request. This time also includes all persons presenting information on behalf of the applicant such as attorneys, engineers, and architects. This time limit does not include any questions asked by the DRC or staff regarding requests. PLEASE NOTE: all materials for a submission are due at the deadline date; any new materials presented at the meeting by the applicant may result in a deferral to allow the Commission adequate time for review.

Members of the general public are given the opportunity to address their concerns in intervals of 2 (two) minutes. Anyone wishing to give testimony will be sworn in. The DRC reserves the right to amend these procedures on a case-by-case basis.
