- Please be advised that, because of the amount of information provided to commission members at and in advance of the public hearing, it is difficult for those persons to absorb written information presented at the actual public hearing. As such, staff will forward written comments to the commission members in advance of the public hearing provided those comments are submitted generally on the Friday the week prior to the meeting. This offer is a courtesy and is not intended in any way, shape, or form to discourage persons from communicating with commission members at the actual public hearing.
- The State of South Carolina has passed extra-ordinary notification requirements to Fort Jackson and South Carolina Aeronautics Commission when land-use decisions are made within a mandated distance to Fort Jackson and Jim Hamilton – L.B. Owens Airport. Applications located within these areas require external agency review and thus the scheduled meeting dates are subject to change.
